Child Health Systems Map

Mapping the child health system at a local level to reduce health inequalities

NIHR School for Public Health Research The Child Health Systems Map was made by SPHR researchers as part of the project 'Mapping the child health system at a local level to reduce health inequalities'. The map was designed by Traumascapes. This project is funded/supported by the National Institute for Health and Care Research (NIHR) School for Public Health Research (SPHR) (Grant Reference Number PD-SPH-2015). The views expressed are those of the author(s) and not necessarily those of the NIHR or the Department of Health and Social Care.
